

Welcome Swimmer!

Different Strokes Calgary - 2018 - 2019 Season

Thank you for your interest in swimming with Different Strokes Calgary this swim season. Different Strokes is a Masters Swim Club that operates under the provincial chapter of Masters Swimming Canada. It is limited to those swimmers that are 18 years of age or older. The regular season runs from September 2018 through June 2019. There is a summer season that follows in July and August 2019.

As you know, Different Strokes Calgary (DSC) is a non-profit, volunteer run swim club inclusive of LGBT swimmers and their supporters, dedicated to the masters swim program philosophy of "fun and fitness for life" in an environment that is both positive and supportive.

Swim practices are held at the Repsol Sports Centre, which is located just south of downtown Calgary along Macleod Trail, at 2225 Macleod Trail South. Practice times are Friday from 6:00 to 7:00 pm, and Sunday from 7:00 to 8:00 pm. There are no practices on the Sunday of long weekends.

Free parking is available, and is generally plentiful, but sometimes events being held at the sports centre can make finding parking a challenge.

There are two fee structures available:

- An annual pass for \$296. This pass covers the entire year from September through August
- Drop-in for \$10 each. Generally purchased in blocks of 10 for \$100. Swimmers using the drop in fee structure will receive emails from the membership registrar (James Ansell) when their balance falls below \$20

There is also a fee collected by Swim Alberta for \$54.

For students in the current academic year starting September 2018, with a valid Student ID, there is a 50% discount on the annual fee (\$148). The Swim Alberta fee of \$54 remains full price, since that is set by Swim Alberta.

Payments are currently accepted by cash or cheque. Electronic payments may be available in the future. The membership registrar is James Ansell, and he can be reached at membership@differentstrokescalgary.org for membership inquiries.

For general information, consult our website at www.differentstrokescalgary.org.

Dear Registrant/Swimmer/Parent/Guardian

Welcome to the 2018-2019 swimming season! Please take a moment to review this brief explanation of the registration process required of all swim clubs and individual registrants.

Each swim club in the province of Alberta is a member of the national governing body for swimming called Swimming Canada and the provincial governing body called Swim Alberta. In return for government sport funding, all governing organizations are required to report on membership. Non-identifying statistics are obtained directly from the data collected in the Registration system. With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. All swim clubs are required to process all registrations to Swim Alberta and Swimming Canada via the online registration system.

In compliance with PIPEDA and Provincial Legislation, consent to the collection and use of personal information is required. All registrants are therefore required to complete the PIPEDA Registration Consent Form giving consent to the collection and use of personal information as described in the form. The club will provide this form at registration.

Officials' Registration: Upon activation of the registration of an Official an email notification will be sent to the Official giving access to the registration account, to confirm the contained personal information, and refresh the username and password for re-entry. The email will be from systems@swimming.ca and the subject line will be titled: **Registration of Swimming Officials**. Contact your club's Officials Administrator for assistance.

Swimmer Registration: The final step of registering with the swim club is the confirmation of primary contact and demographic information related to your family and swimmer(s) in the registration system. When the club Registrar creates a swimmer registration invoice an auto-email is generated to the primary contact email address asking for review and confirmation of the submitted information. This email will be from registration@swimming.ca and the subject line will be titled: **Swimmer Registration Confirmation**. The link can be accessed once and you will have the option to create your own username and password for re-accessing the account. It only takes a couple of minutes to review and update your contact information and swimmer details. If you require assistance with this confirmation step, your club's Registrar is the person who can assist you.

This registration step includes answering four questions: (i) Aboriginal Ancestry (ii) Para-Swimming (iii) Deaf/Hard of Hearing (iv) Citizenship. Providing this information is voluntary and will be used for statistical and informational purposes. It will not be used by Swim Alberta or Swimming Canada for any prohibited purpose as per The Canadian Human Rights Act and Provincial Human Rights legislation. (i) The voluntary Aboriginal Ancestry question is being asked so that the Swim Alberta knows which swimmers are eligible for the North American Indigenous Games and to perhaps direct families and/or clubs toward any event or funding opportunity within the Province. In some Provincial jurisdictions, these statistics are also required as part of government funding reporting requirements. For the Aboriginal Ancestry questions you have 4 options to choose from: 1) Status/Treaty, 2) Non-Status, 3) Métis or 4) Inuit

(ii) Answering the Para-Swimming question will help Swimming Canada, Swim Alberta and your swim club to direct opportunities that are specifically targeted to swimmers with a disability (Para-Swimmers) (refer to: <https://www.swimming.ca> see: *RESOURCES/PARA-SWIMMING*). For the Para-swimming question you have 3 options to choose from: 1) Physical, 2) Visual or 3) Intellectual

(iii) Answering the voluntary Deaf/Hard of Hearing question is to assist in identifying individuals who may be eligible for participation in events specifically targeted to swimmers who are deaf/hard of hearing.

(iv) If the registrant is not a Canadian Citizen or Permanent Resident (Landed Immigrant) please indicate this. Canadian citizenship question is asked to identify individuals who are not eligible to set National records or represent Canada in an international competition. The default is Canadian citizen.

NOTE: It is only upon completing the online registration that you/your swimmer are considered officially registered and a member of Different Strokes Calgary and covered by the insurance policy. Similarly, this registration process must be completed before entries into a swim meet can be submitted and accepted. Registration must be completed within two weeks (14 days) of commencing participation. Your information is held by the Club, Swim Alberta and Swimming Canada in compliance with the [Swimming Canada Privacy Policy and the Swim Alberta Privacy Policy](#).

Thank you and have a great swimming season!
